Tax Collector Mike Fasano's Offices Raised \$10,393 for Pasco Association for Challenged Kids (PACK)

During the month of June, the **Pasco Association for Challenged Kids (PACK)** was the June Charity-of-the-Month at the *Pasco County Tax Collector's Office*. A total of \$10,393.11 was raised to assist **PACK**'s summer camp program operate. The important activities offered by **PACK** fill in a several week gap between the end of the school year and the start of summer classes for the students who attend.

"We are amazed!" remarks **Barry & Paula Cohen**, the founders of **PACK**. "We knew you guys would try hard for **PACK**, but that amount of money is incredible! We appreciate everything that **Mike Fasano** and everyone at the *Pasco Tax Collector's Office* have done on our behalf. It's so wonderful to know that money is there for next year. Mike and his staff have always been there for us for 28 years, and we can't tell you how much that means. My kids still have really nowhere else to go so it's wonderful they will have camp next year."

"It was an honor to feature **PACK** during the month of June," comments **Tax Collector Mike Fasano**. "This special organization has been a part of my life for close to thirty years. Thank you to a very generous community for donating

to help improve the lives of young people with a variety of disabilities. I appreciate all who made this large donation possible.”
