The *Angeline on the Suncoast* location at 12118 North Sunlake Blvd., Spring Hill/ Land O' Lakes is situated to serve the Angeline and nearby communities. This office, when built, will be a location for all residents, especially those who live near State Road 52 and the Suncoast Parkway, to receive the services they need.

"I would like to thank everyone who attended this special event," remarks **Tax Collector Mike Fasano**. "From the contracting firm to officials from county government, it was a special time to turn the shovel on what will be the sixth office to provide all tax-collector-related services to our community. We look forward to the day when we can invite people back for the grand opening and begin serving Pasco residents and other customers."
